

REMARKS

In the Notice of Drawing Inconsistency with Specification dated October 4, 2006, the Examiner states that Fig. 13 is contained in the Drawings, but there is no description for Fig. 13 in the Brief Description of the Drawings.

Applicants have accordingly added the description of Fig. 13 to the Brief Description of the Drawings in the specification. Support for the amendment is found at Paragraph [0038] of the specification and Fig. 13 as originally filed. No new matter is added.

Respectfully submitted,

Xiaochun Zhu
